

SUMMER CAMP 2026

MasterKey Academy is thrilled to offer Summer Camp 2026, which will kick off May 26! Join us for an enriching and educational experience for children who have completed Kindergarten through 5th grade. This summer, we look forward to offering multiple field trips for our students, three meals a day, Biblical teaching, fun-filled surprises for the kids, such as (but not limited to), Kona Ice snow-cones and a foam or bubble party! For curriculum, we will be covering a variety of topics, including: The Amazon Rainforest; Sea Creatures of the Atlantic Ocean; The History of Grayson County; and The 13 Original Colonies, in honor of Independence Day! Students will also partake in hands-on learning, developing fine-motor skills through a woodworking class, sponsored by Home Depot; enhance their cooking skills and broaden their pallet, by making homemade pizzas, while learning from a local chef; and hearing from multiple local professionals and entrepreneurs, regarding our "A Day in The Life of A Professional" series! We will glean from a cosmetologist, attorney, and physician. Come grow with us, where learning begins with purpose, and join us as we create educational champions!

Dates:

May 26, 2026 - August 10, 2026.

Tuition:

\$150 per week; 10% sibling discount applied when applicable

Enrollment Fee:

\$50 per child

*****Please Note: The summer camp schedule and themes are a tentative outline. Details may be subject to change. *****
